WHAT IS EXPECTED FROM A CAMPUS CONNECTION STUDENT:

Our programs operate under the highest academic standards, similar to the an environment you would find on any of the regional partner university main campuses. We expect you to develop academic skills and study habits which are acceptable for successful college students. Our basic expectations include:

- **Put forth your best effort to learn the skills being taught.** This includes a serious attitude toward instructional demonstrations, book assignments, lab assignments, classroom speaker and field trips.
- **Obey all rules** established by each instructor and your home school.
- Develop a pattern of **good attendance**.
- Learn to **work in teams** with other classmates to solve problems related to instructional concepts.
- **Discuss with your program instructor any concerns** you have related to your enrollment in the program. Often, small items can be resolved before becoming large problems.
